Noteworthy Information

- Patrol Statistic Numbers are low due to lack of Officer coverage as the
 department only has one full-time officer and two part-time officers for
 the time being. The numbers are also inaccurate on the low side due
 to officer participation with daily logs. This issue is being addressed
 again.
- Training has been going very well for Ofc. Castagna. His eagerness to learn has him progressing swiftly through the online training modules

- and on-the-job field experiences. We are still working on getting Ofc. Castagna into the next available basic academy program.
- The Bull Shoals Police Department is looking at starting a monthly Coffee with a Cop to address any ongoing concerns citizens have with the department and promote city relations.
