➤ **Noteworthy Information & Activity:**

- With the assistance of Mayor Bill Stahlman, Sgt Mark Clark, and myself we were able to complete the evidence locker. We cut down shelves to get the gun locker inset with the rest of the shelves and were able to salvage the existing door and get the hinges on the inside of the locker. All shelves are labeled, all evidence organized and ready for inspection by sight surveyor.
- We had a very busy month with multiple drug arrests that involved methamphetamine. Any information you have on drug deals, locations, or pertaining to these illegal drugs please inform the police department, you can and will remain anonymous. We want to stop the moving of drugs through our town!!!
